

# Welcome!

To our 7th Year of Summer Arts, Clay and Pottery Wheel Classes and More!

Your child will learn how to "throw" on our Pottery Wheels with our experienced staff and complete a few finished projects. We will also teach your child how to hand build and decorate many fun and functional clay projects which will be painted and fired.

Each week we will also work with Tie Dye, Mosaics, Canvas Art, Glass and of course to learn all our secrets on Painting Pottery!

## Friends! & Fun!

Projects must be picked up by Sept 30th!
